Commodores Annual Report

After two years of disruptions from the Covid influencer restrictions the 2022/23 NHTYA club program has run fairly well with most club events being held.

As what usually happens membership has fluctuated during the year, as it stands we have 39 members, approximately 30 of those have trailer yachts with 9 members plus having off the beach craft .At least 10 members sail in both divisions as well, well done.

On the subject of racing, this years racing has been very busy. With the spring series having Eight races and the Autumn series having ten races, plus the monthly OTBs series.

Hart stood in for Jamie half way through the season because of Jamie having too many other commitments to continue as race officer, Hart also struggled to make the race events so Brian Harrison has virtually held racing together, without the commitment from Brain as handicapper and race organiser the race events would not have been held so successfully as they have .Thankyou Brian

Warren took on the Cruising position for the first time, getting members to put their hand up to run a cruise is not the easiest job but well done to Warren as all cruises have been held and attended fairly well .Thankyou Warren

Ok getting to my committee

To the three ordinary committee members

Our News Editor John, getting the monthly newsletter whilst doing shift is not easy, well done John

Club equipment and my go to man for any help and BBQ cook Peter thanks mate

Cruise leader and our mister gadget man Warren Thank you

Executive committee

Ken Hill Our club secretary who has held the position for two years great job Thank you

Jacque Armstrong Club Treasurer first year holding the job, great job Thank you

Garry Charmers Vice Commodore, my great supporter and helper and brains behind the success of what we have achieved over the last three years. Thanks Gaz

Phil Sparkes Rear Commodore a big thank you for your undying support, help and guidance to myself and Garry, Phil also is the club membership officer and Publicity officer thankyou Phil

To our Yacht Auditors Phil, Hart and Warren thank you for keeping all yachts to a safety standard for racing

Thank you

Also our club has some members who do lot of work behind the scenes

Firstly Val who has designed and worked on our club web site for years now, it has developed into one of the best Trailer yacht sites on the net with great reports , stories and trailer yacht photos of NHTYA club events that are viewed by thousands , thankyou from all of us.

Tania our social events organiser, Tania's organising and the ideas for the tucker at our club events have been awesome thankyou Tania

To all the members your membership and involvement holds this club together without doubt thank you

To some of the older guys, Barry, John and Chris who continue to turn up and sail in their 70s is outstanding and an inspiration to all of us. Thankyou

NHTYA Catalina Fleet News June 2023

And to Gaylene for all her massive help and support thank you Gay

From me I hope we all support the next generation committee and support in numbers at all events

Vice Commodores Report 2023

Commodore Kevin and the force behind him (Gaylene), have been absent a few times in the past year. So it was my job to step up to run meetings and sort out a few minor issues. The Newmans are real t crossers and I dotters so there really wasn't much for me to do in their absence. It did give me the front row seat to see how committee members were handling their roles. In the midst of some very difficult personal challenges, be it family and or personal health, your committee members chugged away in their roles. I want to put a spotlight on all the committee members for the amazing work they have contributed in testing circumstances. This has been in a year of increased activity and considering a couple of committee members are relatively new in their roles.

So whilst we are a club that tries to care for it's members, I felt a special gratitude for the committee members who got us through this year. Kevin shared his vision of increasing participation, engaging family, looking after our senior members and encouraging new members. I hope you all see that we have been moving this way. I was a recipient of this care from some OTB members when I forgot my dolly wheels for the laser dinghy. I couple of these guys came over and offered to help lift the laser into the water so I could join the first race. In all the excitement I forgot to put the bung in, but whilst the beer soaked banter still haunts me the the strongest memory that remains is the kindness of members helping me get it in the water. That's our club. And with this in mind I want to thank all the committee members and the many people who support them for making this a great sailing year.

Social Co-ordinator's Report 2023

We tried something different for the Christmas party catering on 10th December 2022. The platters from Costco were a great hit and members really enjoyed the variety, so I recommend we do this again in 2023. Many thanks to Gaylene and Kevin for their support especially on the Saturday after the food was delivered, as I was unable to stay.

Again, what a wonderful club we have with members all pitching in to set up the gazebos and help with decorating. Sunday's bbq breakfast was well attended before the final race.

We are 5 and bit weeks away from 2023 Presentation Night scheduled for Saturday 24th June. Thanks to those who have put their hands up to help Vice Commodore Garry, Cathy and I. I will be getting in touch soon to plan and distribute the runsheet.

Thank you NHTYA club members for your continued support at club events this past year. It is always welcome and highly appreciated.

Kindly

Tania Kelland

Cruising Summary 2022 – 2023

The years cruising was kicked off in August by Kevin and Gaylene with a Lake Mac cruise.

- September saw Doug Dyce head-up his first cruise to the Hawkesbury.
- October was my turn, Wangi Caravan Park, with the first time the OTB were included in a club cruising event.
- November had Brain and Val host at Glenbawn dam. Again, with most of the OTB's in attendance.
- December – Myall Lakes New Years with Peter & Jacque, an Australian Theme.
- January – Appeared to be a group effort, Kevin and Gaylene, Jacque and Peter, John & Lisa Australia Day Lake Mac cruise.
- February – Cruisers travelled to Sydney for Middle harbour and 3 bridges. Hosted by Ken & Tania.
- March – Cancelled due to weather, but still managed a BBQ.
- April – Easter Myall Lakes hosted by Phil and Kim.
- May - My turn again and back to Wangi Caravan Park. Great night with a fire and BBQ. The possums welcomed us back.

Still to come;

- June will be Lake Keepit bush camping and/or sailing.
- July will be an onshore at Coolah hosted by John and Carol Parker

It was great to see the OTB members join in on our cruising events. Glenbawn Dam seemed to be a hit, and I'm sure we'll be back there as soon as the weather permits.

A big thank you to the people mentioned above for raising their hand to lead cruise events and those who supported me by stepping in at short notice and shuffled their plans forward.

Lastly, I'd like to encourage those members, both new and long term who haven't hosted a cruise, to come on and give it a go.

Cheers and Beers

Warren Parrott - Macnifique

AGM Treasurer's Report 2023

Firstly, I would like to thank our outgoing Treasurer, Charmaine, for her expertise and amazing support, introducing me to the treasurer role and the NHTYA accounting program. Charmaine has again worked with me on this report for the AGM and for this I am very grateful. This exemplifies how our club works, be it racing, cruising, socially or in a committee role there is always a supportive hand.

The NHTYA 2023 Treasurer's report is a little different. To align membership fees with the membership year (those making payment after 30th April have their membership extended into the following club year); this is a **13 month year report – 01.04.22 – 30.04.23.**

.

- ☑ On-Shore cruise to Yengo national park was to be a real adventure, sadly due to previous flooding rains this event was cancelled and deposit paid to NP refunded

Expenses for this period are **\$12,986.55** showing an increase of \$3004.23 from the 2022 period and an increase of \$8,157.15 from the 2021 period.

Racing Report

Trailer Sailor Racing Report Brian Harrison.

- Race 7 had 8 boats start and finish in light winds. Race 8 had 10 boats start, 9 boats finished due to squall 24kt gusts. Only Brian managed to keep his bum dry, as ODD!
- F Jetty based for the next weekend's races.

OTB Report Brian Harrison.

- 7 Maricats including 2 visitors, a couple with 1 each, with the husband Mark Coldcliff. 7-8 kts breeze. 2 withdrew – Doug slipped on slime on apron and split his sculp, went to Maitland Hospital for 4 stitches. Before each race we will try a stiff yard brush to see if it removes the slime. The incident was reported to the Secretary for filing. Kevin saw council waterblast the 2 boat ramps, where Kevin had also slipped a week previously. Discussion on using alternative launch location - will try yard brush & water blaster. Also looking into helmets for sailers.

Cruising Report and upcoming cruises by Warren Parrott

- Great May cruise at Wangi Wangi campground. Great bonfire, stories, Dimple and tour of the Chalmers new caravan.
- June long weekend Lake Keepit Kool Regatta for OTB's and Trailer Sailers – will be cool as the Dam is full! Movie night is always fun.
- If someone wants to organise a cruise for those that don't want to travel, can also have a Lake Macquarie cruise.
- 22 & 23 July – Onshore cruise at John & Carol's sons 10 acres at Coolah, which is 3.5 hours travel away. Caravans, boats, tents etc. Plenty of power, outside toilet & shower, pets welcome, firepit etc with wood provided on site. Can stay for a few days, not just the weekend. Lots of trips to do ie Mudgee wine tours, Coolah Tops tour by John, there is the Zoo, etc. Would like to know numbers and who to expect. Club gazebos would be good.
- It would be good for people to comment attending or not, so organisers can know numbers attending.

Membership update by Phil Sparkes

- No new members.

Website update by Val Harrison

- Val advises more historical information going on Facebook when something new is put on the website.
- Please advise of any changes that you notice which need to be made.

ON SHORE CRUISE

22nd – 23rd July 2023

COOLAH

Around 3.5 hours from Styles via Hunter Expressway, Golden Highway and Vinegaroy Road.

Travel Guide On-Shore Cruise 2023

From Styles on Lake Macquarie, head to the M1 Pacific Motorway.

Turn North onto the M1 for approx. 13Km.

Exit West onto the Hunter Expressway & follow for approx. 45Km.

Turn left onto the Golden Highway (B84) & follow through Jerry's Plains, Denman and Merriwa with the painted silos on the right as you enter. The Merriwa Bakery is open for take away breakfasts.

Continue on the Golden Highway (B84) for 53Km to Vinagaroy Rd.

Turn right into Vinagaroy Rd. and follow to Coolah. Approx 34Km.

At Binnia St. (Coolah's main St.), turn right (beside the pub) then immediately left onto Goddard St.

Follow Goddard St. to the T intersection, then turn right into Wentworth Ave.

Lot No. 111 is approx. 500m on the left.

NOTE:

1. Do NOT turn right at the Cassilis turn off as the road beyond Cassilis is often flooded. Vinagaroy Rd. is approx. 10 Km further along the B84 past the Cassilis turnoff.
2. At the low lying straight stretch of Vinagaroy Rd., there are many potholes of varying sizes. Drive carefully.
3. Observe the speed limits thro the town areas of Jerry's Plains, Denman & Merriwa.
