

2025 Autumn Series Races 1 & 2

Trailerable Results

08 & 09 Feb 25

Two around the buoys races were conducted on Saturday in an attempt to catch up the two races not ran in Jan 25. Forecast was for 15 to 20 knots, however all we got was 5 knots with the occasional gust to 10 knots. A further race was started on Sunday in light winds, however the race was eventually given up as we were nearly two hours into the race with the lead boats still a good 30 minutes from achieving the first mark, with the remainder of the fleet a good hour or so behind that.

As you can see below, Aruluén II had a great weekend, congratulations!
