# A Word from the Vice Commodore.

I've been told some club members had been concerned about my health and asking if I was OK. I can tell you I am fine, although suffering from low blood pressure at times, and after a barrage of tests, the doctor still can't tell me for sure what is causing it. It could be from my quadriplegia when I was much younger.

Anyhow, it has affected my ability to turn up and race. November was the last time I made it through a race weekend.

I also found from the chest xray I got in my tests that I have another crushed vertebrae, so the doctor has referred me to a specialist for that as well. Feels fine but he wants a specialist to check it.

So, I feel I am unable to commit the effort to this position that a VC should for the club. I very much appreciate the concern and calls I get, but because of these health issues, I have decided not to stand for re-election as Vice Commodore this May at the AGM.

It is because of this I am asking if anyone else in the club would be prepared to step up to fill this position. There are plenty of people with far greater knowledge of the club processes than me that are always willing to help. Past office bearers like Phil, Kev, Hart and Val are just a few who have always helped me when I needed it.

It's been an honour to be in this position in such a great club and that is due to the members.

I hope someone can help with this and maybe in the future I'll be back again.

The AGM Nomination and Proxy forms are in this months Newsletter, so fill them in and join the committee.

Thanks everyone.

Regards

Greg Cross

Vice Commodore NHTYA

## **Racing Report**

### ***Trailer Sailor Racing Report Peter Melbourne***

- Race 5 Saturday had 25kt winds, gusting 33kts. The conditions were sailed well. 3 boats retired. 3 x Noelexs, Wanderer and a Boomerang completed. Had 2 laps around club buoys, reduced from the planned 3 laps.
- Race 6 had light winds and sailed around a shortened course.
- We may do buoy courses at least once a season. Need a battery blower to blow up.

### ***OTB Report Brian Harrison.***

- The last race weekend had light airs and Val 2 races won on Handicap! Second race had 7 seconds between first and last boat, which made recording the times interesting.
- March OTB is on this weekend 23 March.

### **Cruising Report and upcoming cruises by Val Harrison**

- Great weekend in Tuggerah Lakes with 6 boats! The locals couldn't believe trailer sailors were at the ramp, even if we were 'mast down'.
- Slade Park for lunch at Budgewoi. "Never see boats here!" as we got fish n Chips for lunch.
- Wind came up as all boats were in single file in a narrow channel in front of the caravan park. Bit of excitement as boats blown and just touched the sandbar. Happy Hour ended up in BBQ kitchen cooking dinner, Judy came and had dinner with us and had a great time.
- Ken and Phil thanked Val and Brian for their scoping out of places to go for the cruise.
- Easter is on Myall Lakes and the Sparkes will be cruise leaders, already 4 boats interested. Dinner will be flown in by Drone!
- Brisbane Waters cruise will be led by Hart Peters in April.
- Last cruise is in May and is a campfire cruise at Wangi Wangi campground.
- Murray River 2 week cruise in September has 4 boats confirmed, and up to another 4 boats are interested.

### **Website & Facebook pages update by Val Harrison**

- The website is continually being updated, please go and check it out.
- Lake Macquarie facebook page is going really well! There are 635 members of that page, and we are getting a number of visitors to our events, both racing and cruising. We also have a presence on Cruising Australia.

### **Membership update by Phil Sparkes**

- Matt Gillard has a Macgregor 26 called Merlot and lives in Ruthford. Matt has attended cruises and crewed on Wanderer in racing. Matt has paid membership fees. All agreed.
- David and Linda Younger. Castle 650 Full of Rascals is back in the club, has paid membership fees. Attended a race day but didn't race, went for sail. All agreed.

### **Social update by Tania Kelland.**

- 29 June is confirmed for Presentation Night at Valentine Bowling Club.
- Tania has looked at the dinner options,. The two courses menu is still same price of \$55 pp as last year. Tania will discuss the menu options.

- Club members are asked to volunteer to help set up the venue – if members don't help it won't get set up – thanks to those so far who are offering!

## General business

- Greg has a few health issues and will need to finish as Vice Commodore in May due to those health issues. Will take leave of absence if he needs to, and won't be standing at the AGM due to those health issues. Committee will pick up duties until AGM, now has time to look for a person to take on the role next year.
- Help will be needed for Greg for Presentation Night, so he doesn't have to do any heavy lifting.
- Peter and Jacquie have picked up the gazebos from Kevin.
- The Remmingtons' are looking forward to getting Scallywag racing soon.
- Please start bringing trophies back and handing them into Greg, as only 2 more race weekends so need them to get engraved. Please bring your trophies back – thanks!
- Peter M referred to the key ring medallions Warren has made up. About \$5 each, and PM asked for a quote for a years' worth to compare to the existing medals, which cost about \$6.70
- Phil phoned and spoke to Lings about the medal inserts, however he needs to actually go in and discuss getting the logo inserts.

**Meeting Closed: 8.00 pm**

# Cruise Report: Easter Long Weekend – Myall Lakes Quizzical Cruise

Jacquie and I decided to get in early, so we launched at Nerong on Thursday. We tied up to the Public Wharf opposite the ramp for a very relaxing afternoon and quiet night.

## Friday

Friday morning saw the arrival of Phil and Kim (Gypsea) and Paul & Jen (Gilt Edge). With these two boats safely in the water we headed off on glassy smooth water, mist and a little drizzle.

We made our way to River Mouth where we rafted up for morning tea/ lunch. Paul & Jen were having a minor keel problem which was quickly set right with a couple of spanners.

From here we made our way north to Leggs camp. We stopped at the pub for refreshments and Hot Chips (sooo good).

Next stop around the corner was a delightful little spot called Joes Cove.

With only one camp site (unoccupied), we had the place to ourselves. Happy Hour evolved into dinner (sausages over the coals), before a crackling fire watching the sun go down.

When we were packing up to leave in the morning, we were fortunate to meet the daughter of “Joe”. More of the family were arriving later to celebrate what would have been Joe’s 70th birthday.

## Saturday

Saturday saw us sailing to Cataway Bay after a stop at Shelly Beach for lunch and a swim.

We tied back to shore and awaited the arrival of Ken and Tania (Aye See Red).

With the “campfire” blazing we enjoyed delicious pizzas in Phil and Kim’s woodfired pizza oven. Another delightful still night, perfect for sleeping afloat.

## Sunday

Easter Sunday morning and Easter eggs all round.

We trekked into the bush with the goal of finding the lost farmstead. We found a fence line and passionfruit vines but alas no ruins, the overgrown Lantana had swallowed it up. The Easter bunny had left eggs on the trail to guide us back.

Our little flotilla pulled up anchor at about 10:00 after a swim and made our way across the bay to Narani Sands. We swam and visited the remembrance place dedicated to Wendy Gow – a tribute to a member of our club who passed away in 1996.

We made a short detour to the Narani sawmill site where shingles were made for the break wall – these could be clearly seen in the water about a meter below the surface.

The wind picked up on cue and we had a terrific sail down to Shelley Beach where we spent the night.

Beautiful as always, we swam and had a great game in the waist deep water playing piggy in the middle. My stomach was aching from laughing. The campfire used up the remaining firewood and the night was still and quiet.

### **Monday Morning**

After a last swim we motor-sailed back to Nerong.

A pod of dolphins were playing at the entrance to the creek, and what appeared to be a mother and a calf swimming right beside and under our boat for quiet a way.

The weather was fantastic, the company even better

Thanks Phil and Kim

By Peter Armstrong (Sailaway)

*PS: Quizzical Cruise it definitely was as Phil kept our attention throughout with quiz questions and useful facts at breakfast, lunch and tea. We all enjoyed helping each other finish the crossword on our final night. The crossword was fun, challenging and helped our newer (and not so new) members learn more about the club; I would like to thank Phil for the time and effort.*

*Crossword and questions are at the end of the newsletter. I would really encourage you to give it a try*

*April Sat 27 – Sun 28*

*Cruise Leader- Hart Peters*

# Sailing Brisbane Waters

*Yes, this is a mast up and sail cruise on waters that are familiar to us but has been some time since we ‘sailed’ these waters.*

*Club members have sailed these waters for Off the Beach national titles- but cruising is a more gentle leisure activity not to be missed. The waters are extensive and many places to explore. We’ll be launching at Lion Park boat ramp – pretty flash and sandy beach each side.*

*Kick-off is 10am to sail to our lunch destination.*

*We’ll beach stern into sandy beach just up from where we launched. Dinner is a surprise!! And more info to follow.*

*If you’re curious go take a read of the Brisbane Waters cruise report on the web site from 2015*

### 2024 Autumn Series Trailables

#### Races 5 Report – John Haig (Jocimo)

Race: # 5. 2024

Course: Killaben Bay (Club Bouys 3 Laps)

Wind: 18 to 25 Knts (East end of course)

Start: Two Starts, Div 1 & 2. and Div 3

Race # 5 saw 8 boats start, Sabre 25 / two Farr 6s / two Boomerangs 20s div.1&2

and 3 Noelex 25s. In div.3

As we on Jocimo (Robin Parker on Tiller, and myself, Skipper and Tactician) headed out East of Killaben Bay we got a rude shock with the sail choice, Full Main and Std Headsail, the wind was very firm. We decided to ride it out with Robin doing an excellent job nursing the boat at the tiller, and at the same time chasing forward speed. Before we had reached the 1st mark two boats had retired, myself I was considering the same, Jocimo's mast was whipping about excessively, but decided if we were to Reef we would do it after Fishing Pt mark with wind protection, hum? From memory a 3rd boat retired from the race on the leg across to Fishing Pt. leaving 5 boats competing. After rounding Fishing Pt. it was then I decided a Headsail Change and Reef in the Main was in order, thus the remaining boats overtook us. I was up front changing down to a # 3 Headsail, when Robin exclaimed Jocimo was doing 9.4 knots on the Mainsail only. Unfortunately while I was changing the Headsail we broke the Traveller Car, being un able

to help Robin cushion the Main Sheet when on a Jibe, so I made a make do one from cord rapped around the Traveller to get us out of trouble.

Now the issue was to reel in the boats ahead, I gather we were now last in the fleet, with work to do. Well the rest is history, Jocimo performed remarkably well with the new Sail Plan, and Robin was having a ball on the Tiller. We lost ground in Killabean Bay with wind protection from the land, but more than made up back out in the bay proper. Our Duty Officers Peter and Kerry made a good decision to shorten the race to 2 laps. By the Fishing Pt club mark Jocimo was in front and had enough lead to get us over the Finish Line in 1st place, and still hold off "Eye See Red" approximately 1 minute behind.

Thanks to our Duty Officers, Peter and Kerry / Brian Race Handicapper and Val, for setting the course, and the use of their Stink Boat. (2 Stinky).

Thanks also to Ken's crew Dale (Eye See Red) great video of club race boats, and my crew for the day Robin,

Best regards John Haig
